

United Kingdom & Ireland Controlled Release Society

## **UKICRS Symposium & Industrial Exposition**

Thank you for registering for the forthcoming UKICRS Symposium & Industrial Workshop, to be hosted at Riddel Hall, Queen's University Belfast, Belfast BT9 5EE, 4–5 June 2018.

Full details for the two-day programme are available on the UKCIRS website:

<http://www.ukicrs.org/2018-symposium.html>.

Starting at 11am Monday 4th June, as part of the session entitled 'Lessons from the other side: life after university', we have invited a number of young people to give short talks highlighting their recent transition from university into industry. After a light lunch, we will have a series of technical talks from our industrial exhibitors running from 2–3.30 pm. These talks should be no longer than 5 minutes.

On the Monday evening, all registrants at the Symposium are invited to Benedict's Hotel for a casual dinner together. The cost is covered by the registration fee, although you'll need to pay for all your own drinks. The dinner menu is available on the website – same address as above.

Starting 9.00 am Tuesday 5<sup>th</sup> June, we have our main Symposium event, with international keynote speakers, eleven postgraduate/postdoctoral oral presentations, and two poster sessions.

# Instructions for Exhibitors

- There is free car parking is available at Riddel Hall, Queen's University Belfast.
- If you haven't already done so, could you please can you send the contact details (Name and email address) for your delegate to Laura Mason at [lmason@upperton.com](mailto:lmason@upperton.com).

UKICRS Symposium

Emma O'Hara

c/o Riddel Hall

185 Stranmillis Road

Belfast

BT9 5EE

- The registration desk at Riddel Hall will be open and manned from 8.00 am on Monday 4<sup>th</sup> June 2018, allowing for industrial exhibitors to set up in the main Conference Room.
- The exhibitors space will be located in the same Conference Room as the posters
- Each sponsor will be given a table (standard 4ft table), as well as space to the side to present their promotional material. We will ensure power supply is available to each stand, but if you could please bring an extension cable if you require more than one point. The room will be locked overnight.
- Free Wi-Fi is available at Riddel Hall via Sky's 'The Cloud'. Details will be available on the day.
- Industrial sponsors may also attend any of the talks at the Symposium.
- After the symposium, the room must be cleared by 6 pm Tuesday 5<sup>th</sup> June.

- All industrial exhibitors and delegates are invited to dinner at Benedict's Hotel (see UKICRS website for details, including menu). Benedict's can accommodate most dietary requirements.
- All industrial sponsorship packages include placement of an advert in the 2019 UKICRS Newsletter. UKICRS will contact all industrial exhibitors early November inviting submission of adverts.

Meantime, if you require any further information, please get in touch with me directly (Karl; [k.malcolm@qub.ac.uk](mailto:k.malcolm@qub.ac.uk)) or the UKICRS committee ([UKICRS@gmail.com](mailto:UKICRS@gmail.com)). If you provide a contact number, we will be happy to discuss any issues over the phone.

Many thanks once again for supporting the UKICRS Symposium and we look forward to welcoming you to Belfast on Monday 4th June.

Kind regards
